ILIANA PINTO

FULL-STACK DEVELOPER

📞 +504-9717-9826   ✉ iliana.pinto04@gmail.com   📍 Tegucigalpa, Honduras

SUMMARY

I am a passionate full-stack developer with over 3 years of experience building and maintaining high-quality web applications. I have strong expertise in modern frameworks such as Angular, React, and Vue, and languages including JavaScript, TypeScript, and C#. I am experienced in developing RESTful APIs and microservices architectures. Familiar with Agile and Scrum methodologies, I excel in collaborative environments and am dedicated to continuous learning.

PROFESSIONAL SKILLS

- **Programming Languages:** JavaScript, TypeScript, C#
- **Frameworks:** Angular, Vue.js, React, .NET Core, Material UI, Bootstrap
- **Databases:** PostgreSQL, Oracle, MongoDB
- **Development Methodologies:** Agile/Scrum/Kanban

WORK EXPERIENCE

FULL-STACK DEVELOPER
Acklen Avenue

March 2021 - May 2024
Nashville, Tennessee

- Modernized an outdated codebase by adopting a microservices architecture, improving system scalability and performance.
- Developed and implemented an automated order processing system within a mobile application, enhancing the speed and reliability of order fulfillment processes.
- Collaborated closely with cross-functional teams to align project goals and deliver high-quality solutions on time.
- Resolved bugs and addressed technical debts in a claims management platform, improving system stability.

FULL-STACK DEVELOPER
Hero Unit (An Acklen Avenue Company)

October 2020 - March 2021
Nashville, Tennessee

- Collaborated with the UX/UI team to create a seamless user experience for job applicants, reducing application completion time and boosting user engagement.
- Implemented a data analytics tool using Google Analytics to track web traffic, providing detailed insights into user activity, including visitor count, traffic sources, and on-site behavior.
- Addressed technical debts and implemented new features improving system stability and user confidence in the platform.
- Engineered a seamless integration of time-tracking software with Zapier, enabling automated workflows and streamlined data synchronization between applications.
- Offered technical assistance to users who faced problems with the application.
